

Hythe Venetian Fete

Every two years the Hythe Venetian Fete is held along Hythe's Military Canal and every two years Hythe Town Council grant a sum of money towards the fete.

Historically this amount has been £5,000.

The amount budgeted for in the 2022.23 accounts is £5,000.

With costs continuing to rise, the Venetian Fete Organisers would be grateful if Hythe Town Council would be willing to increase the grant to £7,500.

There was mention of an increase between the previous Town Clerk and the fete organisers but due to Covid the increment was never brought forward to Council.

The budget for 2022.23 Grants totals £ £19,500, the current balance of expenditure to 27.07.22 is £2,070. Once £5,000 has been released for the Christmas Lights and the remainder of £3,930 set aside for Hythe in Bloom this will leave £8,500 in the budget. £3,000 is usually set aside for small grants each year.
