## Statement on Providing Leadership in Planning for the Future of the Community

Hythe Town Council is committed to providing an opportunity for the community to state its views and provide information regarding how people feel about the community they live in.

The Town Council has a Plans and Works Committee that has delegated authority to make comments and representations on behalf of the Council, the committee meets every three weeks to consider and respond to planning applications and consultations from the District Council within the statutory time frame.

Agendas are available via our website and noticeboards at the Town Hall and Oaklands Offices.

The Town Council works proactively wherever possible to strengthen and improve relationships with community groups, local organisations, businesses, statutory bodies, voluntary groups, district and county councils.

Hythe Community Newsletter enables the Town Council to engage with registered electors to gain an insight into local opinion.

Hythe Town Council will:

- Continue to work in balancing the current needs of the people, the economy and the environment without compromising the future.
- Ensure a fair and equitable precept is set annually.
- Actively support the local business and tourism economy.
- Continue to comment on proposed planning applications and developments.

Hythe Town Council have created a Strategic Plan for Hythe that supports this statement.
