Subject: Poppy Treks - Royal Military Canal

Hi,

I hope you are well and looking forward to the bank holiday weekend.

I was wondering if you could advise. I am the event manager for Poppy Treks and this year we are looking to do a trek along the Royal Military Canal on Saturday 16th September. We've been liaising with Hythe and Folkstone District Council and have applied for the use of Holman's Field to start the event in. We have now been granted permission to use this space and host the event.

We are aiming for approximately 250 participants who will be walking 11 miles along the canal to Hamstreet and then being taken back by coach to Hythe. All participants will be raising funds for the Royal British Legion.

I wanted to make Hythe Town Council aware so that we can work together to ensure the event runs smoothly and I wondered if there was anything initially that you would like us to consider. I did have a question around parking in the area, but I thought I'd reach out first.

It would be great to hear back to see if we can move forward with our event plans.

Kind regards,

Jemma
