

Item 15 Town Hall Banner

To consider a request to put a banner on one of the Town Hall Undercroft pillars for a few days once a month before each craft fair is held at the Town Hall.

Hi

I hope you are well.

Just wondering if it would be possible to put a banner on one of the Undercroft pillars for a few days before each of my craft events.

It would be attached using elastic which is tied on so it wouldn't actually be stuck to the pillar itself. Hope this makes sense.

I am trying to find different ways of advertising as I am aware of the flyposting issues.

Many thanks
