

Item 10. Town Hall Request

To consider a request from Royal British Legion Hythe and Saltwood Branch to hang the RBL Standard in the Town Hall on the back wall.

The RBL Standard needs to be retired and replaced with a new one. The replacement must be blessed at a church before it will be used, then the old one can be "laid up". Where this is laid is at the discretion of the RBL in consultation with the premises owner, in this case, Hythe Town Council.
