

Item 12. Oaklands Committee Room Request

To consider a request from Kent Police for free use of the Oaklands Committee Room for Police Surgeries on an ad-hoc basis during working hours.

PC Porter is the new Neighbourhood PC for Hythe and Hythe Rural Wards and has been tasked with organising a ward surgery. By law they have to provide regular engagement with our communities and one of the ways is monthly ward surgeries. Historically they organised them around Officers duties, so they are not on a set day or time, but always within 'Office hours' as they have other engagements to capture with those who might want to talk to them in the evenings instead. They last just 1 hr.

Folkestone and Hythe Community Safety Unit

📍 **Address: Folkestone Police Station, Bouverie Road West, Folkestone, Kent CT0 2SG**

My Community Voice is a messaging service that helps Kent & Medway residents, businesses, and community groups keep in touch with their local policing teams. The service sends updates about your local area directly from police officers themselves.
