Providing Leadership in Planning for the Future of the Community Statement

Hythe Town Council is committed to providing an opportunity for the community to state its views and provide information regarding how people feel about the community they live in.

The Town Council has a Plans and Works Committee that has delegated authority to make comments and representations on behalf of the Council. The committee meets every three weeks to consider and respond to planning applications and consultations from the District Council within the statutory time frame.

Agendas are available via the Hythe Town Council website and noticeboards at the Town Hall and Oaklands Offices.

The Town Council works proactively wherever possible to strengthen and improve relationships with community groups, local organisations, businesses, statutory bodies, voluntary groups, district, and County Councils.

Hythe Community Newsletter enables the Town Council to engage with registered electors to gain insight into local opinion.

Hythe Town Council will:

- Continue to work on balancing the current needs of the people, the economy, and the environment without compromising the future.
- Ensure a fair and equitable precept is set annually.
- Actively support local businesses and tourism economy.
- Continue to comment on proposed planning applications and developments.

Hythe Town Council has created a Strategic Plan for Hythe that supports this statement.
