Dear Town Clerk,

We now have the signs erected for the CCTV cameras which cover the Lucys Walk open store area.

The CCTV is not monitored as there is no live feed, images are recorded for later replay, we do of course have the relevant policies, are registered in any event with the ICO and [REDACTED] is our data controller.

The cameras have not been used since your email, their presence seemingly acting as a deterrent. We do however wish to retain the option to make use of them and seek the Council's consent in this respect.

It is our intention to run a Venetian Fete in 2024, to that end we would like to hire or make use of the following facilities –

The Pavilion –	21 st August 2024	14.00 to 18.00
The Green-	21 st August 2024	14.00 to 00.00
South Road Rec -	21 st August 2024	10.00 to 00.00
Oaklands Car Park	21 st August 2024	14.00 to 00.00 please note this is a new request to provide close pre-booked access for wheelchair users only.

Kind regards
